MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director of Central Intelligence
FROM: Director, Intelligence Community Staff
SUBJECT: Merchant and Fishing Fleet Intelligence
REFERENCE: DNI Memorandum, SER 009/191, 13 November 1982

Attached for your review and signature is a proposed affirmative response to John Butts' referenced memorandum. I am in favor of our participation in this because both the objectives and potential benefits being sought here appear to be eminently worthwhile. This initiative is in line with my efforts to encourage greater use of ICS as a medium for bringing Community members together to address matters of common concern.
